Dubai Horse Racing World Cup - March 2012

General Admission & Grandstand Seating Packages

Free Admission

This free admission area gives access to a limited section within the Meydan Grandstand with a number of Grandstand seats available boasting excellent views. With sufficient room on the vast apron area between the track and the Grandstand, visitors on the sides of the apron can get a close view of the thoroughbreds in the Parade Ring, before and after the race.

A variety of food and beverage outlets are available in the purpose designed food court area offering dining tables. All food and drinks on the premises must be bought from one of the outlets within the Meydan Grandstand. Visitors are not permitted to bring their own food and drinks. Admission starts from 2pm.

Apron Views

The apron is situated between the track and the Meydan Grandstand and this vast area will be home to the famous Bubble lounge catering to everyone's fizzy favourites as well as hosting the Dubai World Cup Style Stakes. We're expecting the fiercely contested Dubai World Cup 'Best Dressed Couple' 'Best Dressed' and 'Best Hat' competitions to attract even more contestants in 2010, as Dubai's increasingly style conscious race goers battle it out for the fantastic prizes on offer. Registration forms will be available from all Apron Views information booths. A variety of food and beverage outlets will be available at the back of the Apron in the purpose built internal areas, allowing the crowds to escape from the sun and step into this air-conditioned concourse where one can groove to the sounds of the in-house DJ.
