

## UEFA CHAMPIONS LEAGUE FINAL

### ALLIANZ ARENA – SATURDAY 19<sup>th</sup> MAY 2012

For two consecutive years Barcelona have had every right to call themselves the best team in the world, and with new signings Fabregas & Sanchez this will only increase their confidence. In 2012 the tournament heads to the Allianz Arena, Munich which is the home of the most successful club in German history, FC Bayern Munich. They themselves will hope to end their dry spell of 36 years in the competition and bring the trophy back to home soil but with four strong English sides also in the tournament nothing is guaranteed.

We are delighted to offer superb pre-match hospitality to this most sought after of sporting occasions in the 4\* Marriott Hotel Munich.

The Munich Marriot Hotel is situated on the northern edge of the city centre, providing the great location for entertaining clients before club footballs' biggest match.

Our Platinum Hospitality Package is perfect for guests that already have a ticket for the match but would like to enhance their experience with excellent hospitality in a relaxed and entertaining environment prior to the match.
